Dear John Allen:

I appreciated so much your forwarding to me the article entitled "Apartment Church Goers" and your attached note. It is always good to see you and always gives me a lift. I certainly hope that I will get to see you again before you leave. I expect so because I will bring the family down in a week or two and leave them for the summer.

Enclosed is a booklet "Crises in Mission" which is the report by the Greater Washington Council of Churches you requested. I am glad that you called this report to me attention, ~~also~~. Incidentally, I ran across an interesting article in the Wall Street Journal on the "exodus" movements. I thought it might not have been called to your attention and I knew you would like to see it.

'Til I see you again, all our prayers.

A handwritten signature in blue ink, appearing to be "Dick", with a long horizontal flourish extending to the right.
