Dear Brother Chalk:

I am very sorry that you cannot be with us in November. However, I was able to arrange with Wesley Reagan to speak to us November 8 about Campus Evangelism, so the students will still have a treat in store for them. I certainly hope several will become enthused about attending -- a few have already expressed an interest in going. I'm certainly looking forward to it.

Thanks for your expression of interest in our work here. I hope we can have you come early in January or February for a devotional talk. I'll be contacting you later about this.

Sincerely,

David G. Jones,
Director.
