Dear Bro. Chalk:

I appreciate so very much your taking time out of your busy schedule to send me the materials explaining the Harding Missions' Seminar. We hope to attend next year.

Susie and I enjoyed our visit with you and your sister so very much. Your lessons during the meeting were so helpful to our entire family. You inspire us to work Harder in the Lord's Kingdom. You have always been so helpful to Susie and she needed your encouragement so much at the time you were in Chattanooga. I am deeply grateful.

Susie admires your wife so much. She told me she wanted to write to you both, but I don't think she has.

I forgot to tell you, sometime after Bro. Flatt left Greens' Lake Rd. he wrote the nicest letter to the Elders. He said he felt he had grown more and developed more during the two years he worked with us than any other two years of his life.

I pray that God will bless you and your family as you labor in His Vineyard.

Sincerely,

David
