Dear Brother Chalk:

It was truly a thrill to have you with us during our Lectureship. I have heard so many comment on your superb lesson. The week was truly outstanding, and having you with us was certainly one of the high points.

I hope you will give my regards to your wife and also my sincere apology for taking you away from home when she needed you. I talked with Joe Barnett and he told me that he had talked with you, and that your little girl is fine. For this we are thankful.

I enjoyed so very much being with you. Bill Banowsky asked me how you did and after telling him, he studied for 3 hours instead of playing golf.

The check that we are sending is not enough, but we hope you will accept it with our sincere thanks.

I appreciate you and your ability so very much and pray that God will continue to use you in a powerful way.

Sincerely,

Darrel G. Rickard
