Dear Brother Chalk:

Thank you so very much for your letter of July 26 and for your kind remarks concerning the missions program at Harding College. We believe the program is doing a great deal of good and hope that we can continue to make it profitable in years to come. We appreciate so very much your willingness to be of help in every way to support the program. It will take the assistance of a great number of people if it is going to be the kind of program that it should.

Thanks very much for all of your efforts and contribution to the work of the Lord in so many ways and for your interest in Harding College.

Looking forward to seeing you this fall, I remain

Sincerely yours,

Clifton L. Ganus, Jr.
President
