Dear Sue & John Allen,

Words cannot express our gratitude to you, John Allen, for coming all the way to Mc Minnville from Chattanooga to be with us when we needed you most. Sue's coming also comforted us.

Jane seems to be doing better than we anticipated. She sleeps with me. She is going to spend the night Friday with Patricia Mc Alpin.

Guess you've heard about Chester's heart attack last Saturday. He is in Room 21 W. Ground, Good Samaritan Hospital and is improving (for which we are thankful).

Everyone has been so kind and thoughtful. Bro. & Sis. Warrick have helped us so much.

May 17 was Aunt Margaret's birthday. Lois had a supper for her.

I kept all 5 of Jack's Children last Sunday afternoon while he and Carlene went to the hospital. Bobby & Johnny argued and weren't as good as the others - not thinking, I made the remark to Clifford that I would take the two girls and Mark, and Bobby said, "so you don't like me, ay?"

I immediately said, "I know all of you are plenty smart." ha!

Clifford wants to go to Tenn. next week end. Guess we will go more now than ever.

It has rained so much lately. It is so good to see the sun today, however it is windy and about 70°.

If you're in the Dayton area and have time, come to see us.

Again, thank you.

With love,
Hope, Clifford &
Jane
