Dear Brother Chalk:

Many thanks for your kind letter that arrived this morning, being dated the 8th of Febreuary. Perhaps Jack will also write you, but as I am here at the study this Saturday night working on Sunday's lesson, I want to express my personal thanks to you.

Without a doubt one of the most effective ways in this country to teach people the pure gospel truth, is by the liberal use of tracts. These people READ. So, please convey to all those good brethren who are going to pay the church here for the tracts being sent to us, our most profound thanks. They must love the Lord!

The work here is now off to a better start than even I had hoped for. Four baptisms within the past six weeks, sixty-seven in attendance last Wednesday night with room for only forty.....on and on. We have more film strips than we can take care of and with the help of Almighty God, there should be conversions soon.

May God bless you for this fellowship, and thanks again for your help and coöperation.

Yours in His service,

C. E. Eckman
