Mr. John Allen Chalk  
Cookeville, Tennessee

Dear Brother Chalk:

As I recall when we talked on the phone and agreed to not try to have the meeting here with you, this fall, and have it next Spring, in March or April, you said that you could come but we would set an exact date later.

We have an arrangement here in Flint with all the congregations to set up a schedule whereby the meeting with one congregation would not conflict with a meeting of any other congregation of the area. I think this is a good arrangement. You will recall that was the trouble with our Fall schedule with you. The date we had set with you conflicted with the area-wide workshop with Bro. McKnight at Bristol Road congregation.

So we have open dates for your meeting in March and April. I will give you the open Sundays or weeks trusting that you can work one of these weeks into your schedule:

The weeks of:

March 5th; 12th; and 19th.

April 9th and 16th.

These weeks are available. We sincerely hope that you can come one of these weeks. Please let us know as soon as you know. I trust that your entire work is going good in every way and that you and your family will be happy in your work in Abilene. We hear you in Flint on radio. Your lessons are excellent. Trusting that the Lord will be gracious unto you all the way, I am,

Yours in Christ,

*C. C. Burns*
