Dear John Allen,

This is the confirmation I should have sent a few days ago. We are thrilled of the prospect of having you with us on Sunday, March 12, 1967. Things are shaping toward a great year for Christ at Peak and East Side in 1967. We had 391 last Sunday -- with our auditorium this is almost a full house. Little by little our efforts to draw the missionary - spirited people to the down-town area, are beginning to bear fruit. By March we hope to be able to really announce a dynamic long-range effort for the heart of Dallas. Your help on that Sunday should be a real fine boost. I will send you more information, including putting you on our mailing list.

I appreciate the research you have accomplished in the penetration of great cities, and I sure want to profit from that work. Pray for this effort in Dallas.

Sincerely yours,

Bobby J. Richardson
