Dear brother Chalk:

We were very happy when we heard of your work with the Herald of Truth!

I am writing you a letter to ask you for a favor. Several years ago you said that you thought I should teach in one of our schools. I would like very much to teach in one of the Schools of Preaching. We could terminate our work here in September 1967 or 1968. Would you please put in a good word for me and let us know of any openings?

The work of the church here is going along great (even with me!!). Kitty is in Nurses training, and we adopted another boy 18 months ago.

Please tell Sue and the children that we remember you often. Write us when you find time.

In Christ,

Bill Mead
