Son, you did not have to wire me. I will always leave a hole just so I know copy will be here by the 10th. Yours came today and I am so glad that you wrote on this great question and never fear as long as you have Scripture to back you. Jesus often mentioned "time and place" as I suppose we should on various subjects but the time is right and always has been on this subject. I am getting so many wonderful comments - I would like yours too in case you have time. Also drop the words as you go on bundles. The circulation is the way we pick up our readers and our "audiance".

Yes, be sure to have your article on evangelism or whatever you think best for the Nigerian issue to me by May 16th. I have a tremendous task before me but "can do all things etc" as you well know.

Long to see you. Love

Jimmie
