Dear John Allen:

You are expected to speak at two morning services and one evening service at the White Station Church of Christ on July 3. I believe that it was our agreement that you should plan to come on unless you heard from me to the contrary. The brethren here are very eager to have you visit us. The first service is at eight o'clock, the second at eleven o'clock. The evening service is at five o'clock.

I also have you scheduled to speak for us at the evening lectures of our Summer Seminar in Missions on July 14. Please let me know whether you think this will be possible or not. In the event that you can't come at that time, tell me what week would be practical for you and we will be happy to shift our schedule.

I just returned from a very inspiring missions workshop in California. While there I had opportunity to visit with Donald McGavran of Fuller Theological Seminary and our own Jimmy Lovell. Jimmy is quite enthusiastic about the possibilities of our work with the Graduate School. He thinks that you are number one.

Let us hear from you in the event that you have any conflicts. Kindest personal regards.

In His service,

George Gurganus
