Dear Sirs:

As chairman of the Subcommittee on Administration of Justice and Law Enforcement of the Governor's Committee on Human Relations, I am deeply interested in penal code revisions now before the Legislature. I understand that your agency has recently given careful attention to these revisions.

Could you send me any material you have available on this? I understand at a recent conference you designed and executed these matters were discussed in detail. I would appreciate receiving any materials from that conference.

Would it also be possible for each member of my Subcommittee to receive a copy of this material? If so, I will give you further directions as to where to send that material so that it can be given to all of our Subcommittee members.

Your help in this matter would be deeply appreciated.

Sincerely yours,

John Allen Chalk
