Guatemala City, Guatemala

Dear Suaie and Ralph:

Sue and I thoroughly enjoyed our time with you in Guatemala. We appreciated so much the time to visit with you privately toward the end of our stay and found that time together a very inspiring and encouraging time. You so beautifully accepted us in your midst and made the two of us feel very much at home.

Our visit with the Brentwood's Committee was a deeply enjoyable one. They asked many questions that revealed a genuine concern and a special commitment to you and to your task in Guatemala. We came away from the Missions Committee meeting believing that our prayers regarding that meeting had truly been answered. We believe that you will see the results of this meeting in a greater openness to all your needs and a greater concern for how to help you be effective instruments for the Lord in Guatemala.

I reported to the Missions Committee of Ralph's facility with the language. I passed on to them Richard Rheinbolt's praise of Ralph's facility during the times that they have a clinic in your area. The Committee was very interested in how they could further help you and were all extremely mindful of you in the prayer time we had together.

Ralph, you should be receiving the books you requested soon. I am having them airmailed to the Guatemala City address. I hope you have no trouble getting them.

Sue and I want you to know how much we treasure you as a Christian brother and sister and how much we appreciate the way you accepted the inconvenience our visit caused. Thank you so much for giving up your bed to us. We rested so well on your bed and appreciated the fact that you were sleeping on something not as good as what we were enjoying. May God continue to richly bless and use you and your family. We are praying for a safe delivery of a very healthy baby.

In Deep Christian love,

John Allen Chalk
