Memo to: Raymond Wray

From: John Allen Chalk

Date: April 28, 1971

The attached small group leader sheets are for your use on Sundays May 2, and 9. Remember that your responsibility is to conduct the auditorium session, both the opening session, the dispersing of the groups, and the closing session. Greg Ross will do the lecturing on the two text for May 2 and 9, Colossians 2:6-23 and II Corinthians 12:1-10.

Sunday, April 25, we had some groups that were simply too large to handle. Jeff Whitmill, one of our better group leaders, suggested this. You might also need to mention that we had one guy, Richard Benjamin, who led his group standing up. He's the man who has had the least help and has attended the fewest of our training sessions. You might remind the men in these closing times to work at being good group leaders. Also, really urge that they be present for the May 9 Sunday and that we need them because we will have a lot of visitors.

Thank you so much, Raymond, for what you've done this year with our college group. You have offered the kind of leadership that is unequalled. I thank you for it and pray God's richest blessings on you in your future service. I know that there are going to be countless ways that you and Kathy will serve God. I treasure our friendship and our fellowship and the ministry we have had this year.
