Dear Norvel:

I have sent your request for a description of Highland's benevolent program on to Wayne Stephens, director of Christian Homes. As you know, Highland not only has an extensive individual benevolent program involving many lay members of the congregation but it also has a highly professionalized ministry of maternity care and foster home care through Christian Homes, a licensed ministry under the supervision of the Highland Elders.

You should be hearing from Wayne in the very near future, and I hope it will be something you can use. The issue on benevolence you talk about sounds like something that could be encouraging to all of us.

We continue to be so pleased at the meaningful relationship we have with Marilyn. She is a beautiful girl and a sensitive Christian whose faith we treasure more and more as we get to know her.

All of us send our love and best wishes to you and Helen. May the Lord continue to richly bless your efforts with 20th Century Christian, Power for Today, Pepperdine University and all the other facets of your effective ministry.

Your brother,

John Allen Chalk
