Dear Wes:

Thanks so much for the opportunity to help in some way with the aircraft project for Indonesia. I can certainly appreciate the need of having one and hope that you meet with great success in it.

I will mention the possibility of a meeting with the men mentioned in your letter. I hope that I can get one of them to take the responsibility for organizing it, since my schedule is already crowded beyond practicality and effectiveness. Surely God will raise up one of these men to help in this very practical, needed way.

I was pleased to hear the report from James and pray that God will continue to work in surrender to Jesus.

I was pleasantly surprised by a call the other night regarding the Park Street pulpit. A friend of mine, who is now a member there, Chuck Van Eaton, by his very presence and membership in that congregation says a great deal about the openness of the congregation. Chuck has for ten years worshiped with anti-Sunday school congregations, but more than that is probably wide open to what God can do in our lives today. I understand he is teaching the Adult Class on Wednesday evening. I'm so pleased at his assessment of the Park Street congregation and of the possibilities of the work at Western Kentucky. Of course, I see no way that I can consider it but I thought it extremely interesting that the Park Street elders would have asked him to feel me out about the possibility of my moving there. We pray for your continued plans for Indonesia. We ask God to give you protection and wisdom and effectiveness in both your move and your efforts to preach Christ to that great nation.

Your brother,

John Allen Chalk
