From: John Allen Chalk  
Date: January 21, 1971  

Eugene, the Wahiawa congregation in Honolulu is desirous of putting Herald of Truth radio on LEORL in Honolulu. They have negotiated a one-year contract for thirty minutes on Sunday mornings between 7:30 and 8:00 a.m. for $2,300.00. Would you please research this station and write a letter to Jere Hargrove, the preacher of the congregation, assessing whether you think this is a good station or not. They are ready to make the final contract but have agreed to await your judgment or appraisal of the situation. They are also willing to do audience building and follow-up and would like to have all of the contact memorandums sent directly to them for further processing there on the island. Would you please look into this matter and write directly to Jerry and also make sure that the follow-up people send a contact memorandums directly to them once the program starts. Jere Hargrove's address is: 68 California, Wahiawa, Hawaii 96786.  

Your immediate attention to this will be appreciated since they called directly from the island here on Friday, January 15, wanting our assistance in this matter. If you need further information, let me know.
