Enclosed is a stipend for your travel and time at

Dear Ann and David:

Thank you for a pleasant visit to San Diego. I thoroughly enjoyed both the work with the teenagers and the opportunity to visit in your home. Both of you mean a great deal to me and have in so many rich ways ministered to my own personal, spiritual needs. I thank God for you--for the nature of your commitment and for the beautiful way you are allowing God to bless and use you.

Sue sends her special regards and was so pleased to get a little description of our visits.

David, thank you for what it took to invite me to San Diego. I hope and pray that there are no adverse reactions to my visit. If there are, I know of no one better able to handle it than you and your elders. Please give my personal thanks to all of them and especially to the teenagers who did such an effective job planning the weekend.

Fraternally yours,

John Allen Chalk
