Mr. John Allen Chalk
Highland Church of Christ
Abilene, Texas

Dear John Allen:

I hope your work in Abilene is going well. I am in need of some help and I think you might be able to supply me with the information.

The elders have expressed an interest in hiring a young man to work especially with our young people during the summer months. We have a very full summer program here. The activities include our Vacation Bible School, our Day Camp program for elementary school children, and a two week youth campaign toward the latter part of the summer.

We are looking, of course, for a 50 talent man as is everybody else. Seriously, we would like someone with energy who can communicate with young people, and who has a mature understanding of one's relationship with his Lord.

Instead of writing the Christian schools, I am writing several different ministers where college students attend. I feel that if a young man is involved in the local work, it would be better than just taking the recommendation of the school. If you can suggest some names of some young men who might be interested in working with us in St. Louis for the summer, I would appreciate hearing from you.

May God bless you and your family as you continue in His work.

In Christian love,

RON OLIPHANT
