Dear John Allen,

The young people here at Armstrong are planning a Youth Lectureship for June 19th. They are planning for an all day program involving some of their own age people in panel discussions, open forums, speeches and the like. They also plan for an adult to bring a message or two to climax the day's program.

They would like to know your availability before extending an invitation to anyone. If you can come, please let me know as soon as you can.

Our personal best wishes to you.

Sincerely,

Leon Sharp
