Dear Walter:

Thank you for taking such personal interest in my recent visit to the West Coast. It was deeply appreciated.

The opportunity to have lunch with Kenny and his office is always a pleasure. I thank you for the time and attention you gave to making that event such a pleasant one.

I pray that God will continue to richly bless your life with new spiritual depth and strength. There has never been a time when you could be of more help to Pat and Shirley than in the coming days and weeks. I am thankful for your faith and personal devotion and I look forward to many future opportunities of association.

Sincerely yours,

John Allen Chalk

Dear John:

I understand that you will be in San Diego on the 12th and 13th of this month. In talking with Kenny Hahn, he asked me to find out as to when you will be coming to Los Angeles, where you will be staying and for how long.?

We would surely like to get together for old times sake, maybe for a luncheon on Thursday, the 11th if you will be passing through Los Angeles enroute to San Diego.

Looking forward to your early reply.

Sincerely,

**WALTER H. KING**  
Director of Parking
