Dear Brother Echols:

I am looking forward with great anticipation to the Far East Fellowship, November 8-12, 1971. I have decided to take all of my lessons during the Fellowship from the book of Romans. They will deal with all of the basic aspects of the Christian faith as Paul deals with these central concepts in Romans. In later information you may want to urge those who are participants in the Fellowship to read and study Romans prior to coming for the Fellowship. I hope that those who participate will not only bring their Bibles but will also bring some form of notebook so that they can take notes as we study God's Word together.

At this point, my wife and I are planning to attend the Fellowship. Thank you so much for allowing me this opportunity to share with my brothers and sisters in that part of the world out of the riches of God's Word.

Fraternally yours,

John Allen Chalk

P. S. At a later date I will send specific subjects and the text from Romans that each of these subjects will be taken from.

Dear Brother Chalk,

We are extremely happy that you will be able to be with us in the Far East for the 1971 Far East Fellowship. The dates will be November 8-12, 1971.

There has not been any previous decision reached concerning the theme for the Fellowship. We feel that your suggestion dealing with Christian faith is an outstanding one, so we would like for you to speak along those lines.

*look at
memo from Butler*

We are very happy to inform you that a Christian family in Guam has offered to pay the additional cost of bringing your wife with you for the Fellowship. We mention this now so that you can make your plans accordingly.

If there are any questions that you might have, please let us know. You may write to Elmer Prout or myself.

Yours in Christ,

Ronald H. Echols
