Dear Kenny:

How can I thank you enough for the gracious way you received my recent visit to the West Coast. Thank you for the special plans and all of the extra trouble to which you went in allowing me the opportunity to view the damage caused by the earthquake. I appreciated the opportunity of meeting so many conscientious, dedicated Los Angeles County Officials and even more deeply appreciate now than before the quality of men who work in public service as firemen, policemen, and other public servants in your county.

I have found in you one of the most sensitive, Christ-like men I have ever known. I thank God for the generous, warm, personal, direct way you administer your responsibility to the citizens of Los Angeles County.

The lunch was delicious. Please pass along my special regards and gratitude to Walter King for all he did to make that event a pleasant one. We will do all in our power here to help Janice have a very meaningful semester at Abilene Christian College. I admire her deeply and appreciate so much the kind of young woman you and your wife have reared.

Sincerely yours,

John Allen Chalk

Dear John:

I hear you are coming to California within the next few weeks.

If it isn't too much trouble, let me know when you are coming and where you will be. I would love to meet you and greet you and entertain you in any way we can, as long as it isn't this weekend because I will be the preacher at the First Presbyterian Church of Encino.

Best ever,

Sincerely,

KENNETH HAHN
Supervisor, Second District
