Dear Mr. Sire:

In the Spring of 1969 we exchanged correspondence regarding material for possible use in a paper-backed book to be published by Inter-Varsity Press. This material was originally researched and written by me for presentation on Herald of Truth radio, heard on more than five hundred radio stations in this and other countries. The response to this material was the greatest of any one series of presentations on Herald of Truth radio between the years 1966 and 1970. It remains one of the all-time high response series of messages delivered through the twenty year history of Herald of Truth.

Your kind letter of April 2, 1969 indicated that you would be happy to consider this material as a basis for a paper-back book. I intended to edit the radio scripts into a more suitable format or possible book publication but my pressing schedule has simply not allowed it.

Rather than wait longer, I am sending you the original transcripts as prepared to be sent to radio listeners with the hopes that after looking at this you may indicate to me whether it is worthy of publication. If Inter-Varsity, after considering this material, would like for me to further edit it, I would be happy to discuss the matter with you.

Sincerely yours,

John Allen Chalk
