Dear Jim:

Today I have sent your recommendations to Princeton and Yale. Thank you for letting me have a small part in your attempt to get into one of these schools. I'm sure that either one or both of them will want you as a student and that you will do a great job while there.

I send my very best personal wishes for the decisions you have to make in the next few weeks. It was a real pleasure having you at Highland. Thank you for the significant contributions you made, not only to the Junior High young people but also to the others, including myself. The study with you on Tuesday evenings was a great time. Thank you for the contributions you made to it.

Your brother,

John Allen Chalk

Dear John,

I know you need something to do with all your free time. Seriously I would appreciate very much your filling out these two recommendation forms. You’re the nearest thing I have, I suppose to a “pastor.” Highland this past semester, was the first place I have really “placed membership” since I was preaching back at Harding. Teaching those 8th graders, Dan McKnight, Chuck Smith, Matt Axtor, Matt Holmes, was like trunk riding. But it was rewarding. I really felt I was making an impression on them, especially toward the last.

The holy spirit study was great too. I pray that you will have some easy decisions made. I can see you doing a lot of good in politics. Run for the Senate and you’ll have these main-liners Church of Christers backing you instead of causing you trouble!

As for me this Princeton or Yale bit might not materialize. But I think the change might be refreshing. B.D. will probably be as far as I go.

God bless you

Jimmie Deak
