Dear Brother Chalk:

I want to thank you so much for taking the time to write such a thoughtful and encouraging letter. I also regret not having the opportunity to personally meet you at the Ohio Valley College Lectureship.

You impressed me very much as an outstanding gospel preacher and Christian. Your clear and dynamic preaching is needed greatly throughout the world today, and I pray that God will allow you many years of service to him.

As Brother Diehl has informed you, I am committing myself to the ministry and to "world evangelism". I want you to personally know that it was largely due to your positive preaching that I have made this decision.

I will enter Harding College this fall, so perhaps we can meet and visit in the near future. I am looking forward to talking with you very much.

Thank you again for your kindness and for the part which you have played in my decision. All of this will be greatly remembered.

Your brother in Christ,

*Charles C. Pugh III*
