Dear Syd:

C
O
P
Y
Thank you for writing me about a possible place for your brother Rudy to work. I have followed his work with great interest and know him to be an excellent gospel preacher and Christian worker.

The only thing I know of right now would be a possibility at the White Station Church of Christ in Memphis. Brother George Gurganus of the Harding Graduate School of Religion is an elder at that church and John Scott is the present minister. The possibility exists that either John will be moving or a second man to share the preaching load is going to be added. Without letting John know of this approach, I think it would be entirely in order for you to write Dr. Gurganus. This church is an excellent church and is probably the most promising congregation in the Memphis, Tennessee area. Rudy could bring a great strength to bear in this church, and I think it would be warmly received.

Thank you so much for writing for my help. If anything else comes up, I'll be sure and contact you. It's always a pleasure to see you and especially when we visited at the meeting at the Y.W.C.A. not long ago. My very best wishes for your continued ministry in Amarillo.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk:

I am writing to you in regard to my brother, Rudy Wyatt, who has just returned from the mission field of Perth Australia.

Rudy has been supported for six years by the West Berry Church in Fort Worth, Texas. After a years work in Perth he was joined by Ron Durham and Marvin Phellips. Both these men eventuially moved on to other works. Tudy returned to the states in June leaving an indigenous church behind. The West Berry Church will continue his support through September by which time he needs to locate. He has also preached for congregations at Gatesville, McGregory and Pharr, Texas. He can furnish excellent references. He would like to work with the church in a large town.

If you know of a work open please contact me or Rudy through the West Berry Church of Christ, 2701 West Berry, Fort Worth, Texas.

Phone: WA6-7711

Sincerely,

Syd B. Wyatt
