Dear Ralph:

Thank you so much for my copies of Jesus Christ, The Answer. I did appreciate so much your invitation to be a part of this volume. I have read several of the lessons already and believe that you have brought together some very significant material, that is outside my own. I do believe this volume will be an attractive gift and is a contribution of literature among our brethren.

I appreciated your enclosing the check and am happy to have been a part of this special project. I hope my failure to cooperate fully in manuscript deadlines did not place too great a burden on you and others on the staff. Give my regards to David Stewart, Harold Strough and others on your staff whom I respect and admire. Let me know if I can be of any further help to you.

Fraternally yours,

John Allen Chalk
