Dear Dr. Sears:

Thank you for your kind invitation to work with the College congregation in a Gospel meeting sometime in the future. After carefully considering my own schedule I find that the only two possible dates I could suggest would be Sunday, September 29 through Friday, October 4, 1974, and Sunday, March 17 through Friday, March 22, 1975.

You will notice that I have indicated dates for a Sunday through Friday meeting. Unfortunately, my schedule will allow for no longer periods of time to be spent in Gospel meetings unless unusual circumstances prevail. I regret that I do not have dates earlier than this but believe that should I try to crowd my schedule I would not be as effective as your work requires.

I can well understand if the elders there either do not want to schedule a meeting this far in the future or if they feel that a meeting of a longer period would be better. In either case I will understand if you decide you should get someone else for this period. Thank you for your invitation. If I can be of help to you, I will look forward to hearing from you in the near future.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk:

The College church at Searcy regularly holds two meetings each year--one at the opening the school year in September, the other the last of February or the first of March. We would like very much for you to hold one of these meetings at the earliest time you have open.

We have the meeting already arranged for September 1967 and for March, 1968, but no present arrangements later. How early after that time would you be able to come?

You would have an opportunity to speak to about 1,700 students as well as to the older members.

Sincerely yours,

L. C. Sears
