Dear brother Chalk:

We want to express to you our sincere appreciation for the wonderful sermon you delivered Saturday, April 15 at our Rally. The sermon was to the point and forcefully presented. Also, it was much needed and, we hope, well received by everyone in attendance. We pray that the Lord will bless you with many years, enabling you to continue serving the Lord with dynamic preaching.

I was unable to visit with you Saturday, but wish that we had had the time to sit down for a moment and enjoy a visit together. This is the second time now that you have helped us in this area. We hope it will not be the last.

We sincerely believe that Saturday helped to give an impetus to this work, which will cause many Christians and congregations to want to help. We further believe that your part in the program will do much to help all of us. Enclosed please find a check which will further express our appreciation.

Sincerely,

Ken Samuel
