Dear Mr. Chalk:

Thank you so much for your letter of May 15. Our organization mails out weekly letters with information that we hope will help to awaken people from their lethargy about the present trends within the Disciples of Christ Churches. All of the officers and directors of our group are members of co-operative churches, but we want no part of restructure, nor do we want to go along with the liberal thinking on the part of Indianapolis. We believe that the time has come when we should sever all relations with the National Council of Churches.

Enclosed are copies of some of the letters we have sent out. Your name has been added to our mailing list.

Sincerely,

Julian Odom,

Chairman.
