Dear Jerry:

C
I have definitely scheduled February 24-25 for our weekend meeting at Jackson. I do understand that this is the kick-off effort for the series of such weekend meetings during 1968. You mentioned in a previous letter what my overall goal for this series of meetings is. Sometime later I would appreciate your repeating that goal to me in a letter.

O
Thank you so much for inviting me and for working with my schedule. I know I have burdened you and the brethren there. You have been very gracious about it, and I look forward with great anticipation to our mutual efforts.

Fraternally yours,

Dear John Allen:

The elders have decided that having you for two nights is preferable than anyone else for three, so please make your plans to be with us. The dates that you suggested, February 24 and 25, 1968, will be suitable for us. Because of the nature of the meeting that we have planned, we will probably not try to have an area-wide youth gathering but may have a Saturday noon or Saturday afternoon special program. We will be in contact with you later on this matter. Unless I hear further, I will assume that these dates are suitable and we can expect you then.

We appreciate the difficulties you have had to go through in working this out and do feel that you will be very good for us.

Sincerely,

Jerry
