Dear Bobby:

Thanks for helping out with the map! I am going to be driving and Sue, Mary Beth and John Jr. will be coming with me. Due to previous commitments I will be unable to leave until about 2:30 in the afternoon and should arrive about 6, the Lord willing.

We are looking forward to a great visit with you and the church at East Side. Our prayers will be for all of you as you continue to prepare for this occasion, and for the opportunity that is mine to help.

Fraternally yours,

John Allen Chalk

Dear John Allen,

We are trying to have one of our greatest efforts in this area, and we are praying that our ground-work preparation will at least insure some success. When it is convenient for you, let me know if you are bringing your family and when we can expect you. Wanda and I hope you can drive over Saturday and spend a bit of time with us, but we will understand if a tight schedule limits your time. If you fly in by yourself let me know about the time of your arrival.

If you drive, I hope the map gives you a good idea of how to locate our home.

John Allen, our congregation is in a mild kind of dilemma--some aren't too sure about the potential of an inner-city ministry while others want to be a successful down-town church but still are a bit apprehensive about it. We do feel that your encouragement and presentation of such potential will serve a great purpose. May God give you the best words to leave with us. May you have a safe trip to Dallas.

Sincerely yours,

Bobby J. Richardson
