Dear Brother Chalk:

We appreciate so very much the fine way in which you closed our Lectureship with your speech on "The Two Builders." The entire Lectureship, we feel, was excellent, and this is surely due to the quality of the speeches and thus to the efforts of the speakers. Thank you for your part in it.

Enclosed are two copies of our exchange of letters in November and December, 1966, which lead us to understand that the Highland church was to pay your fare here and back, which your secretary tells us was \$238.88. Please extend our sincere thanks to the church there for sending you.

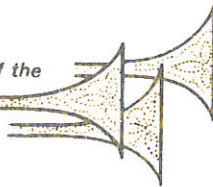

In His service,

Charles J. Aebi

Dear Brother Aebi:

I will be happy to appear on the Ohio Valley College lectureship Thursday evening, May 4. I understand my topic is "The Two Builders".

I will be coming at the expense of Herald of Truth and will, therefore, appreciate any encouragement of our work that the school can give. Enclosed is a glossy print which you requested and a fact sheet which you may use at your discretion.

We send our best wishes to the school.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk:

The theme of our 1967 Lectureship at Ohio Valley College (May 1-4, 1967) will be "The Magna Charta of Christianity," which is really a fancy term for the sermon on the mount. We look forward to having a number of the top men in the brotherhood speaking here at that time.

Will you be able to bring us a lecture on "The Two Builders" (based on Matthew 7:24-27) Thursday, May 4 at 7:00 p.m.? This will be the last lecture of the series, and we would like to have a man of your stature to cap off our Lectureship.

We will gladly provide your meals and lodging here, but it has been our policy to ask brethren to provide their own transportation and thus make an additional contribution to OVC and Christian education. It would probably be well worth while for the elders at Highland to send you up, because the Herald of Truth would profit considerably from that exposure in this area.

If you can come, will you please send us a recent glossy print of yourself that we may use for publicity purposes? We will need this as soon as possible.

I shall anxiously await your reply at your earliest convenience, and hope that you can be with us in May. If I do not hear from you by December 15, I will assume that you are unable to be with us.

Sincerely,

Charles J. Aebi
