Dear Sir:

I have recently had the opportunity of reading and using some of the excellent material presented in your regular newsletter. As the regular speaker for a 30-minute weekly religious broadcast now heard on approximately 700 stations around the world, I find the material you present very timely and valuable.

I am requesting permission to quote from your newsletter as the opportunity arises. These quotations will be documented with the proper citation of source. These quotations will not be lengthy, but will present what from time to time are your very pertinent and concise estimations of situations in our fast moving world.

Your attention to this request and your approval of it will be deeply appreciated.

Sincerely yours,

John Allen Chalk  
Radio Speaker
