Dear Folks:

How happy Sue and I were to receive your report of October 18 and to know of the many wonderful things going on with your family and with your work in Brazil. I personally enjoyed the opportunity to visit with Glen Owen during the Communications Conference in Lima, Peru, in October. Glen is a wonderful fellow and Christian that I learned to appreciate deeply. Glen spoke so highly of the work you are doing and made me so proud to know that I had known you in the old Ohio days.

Our family still contains only the two children, John and Mary Beth. We were happy to learn that your family is in good health. The reports from the doctor about Karen were certainly encouraging. We have all of you in our prayers and appreciate so deeply what you are doing in Brazil. This work that you are doing is very truly a breakthrough for the Lord.

I hope that I can visit with you next year during the Pan-American Lectures. It will be exciting to see first-hand the wonderful work being done by all of you. Please give Barbara and Jimmy our best regards.

Fraternally yours,

John Allen Chalk
