President Leonard E. Reed
Foundation for Economic Education
Irvington-on-the-Hudson, New York

Dear President Reed:

Your foundation and its research has been highly recommended to me by retired Colonel Truman F. Cook of Dallas, Texas. I am deeply interested in the efforts you and your organization are making and would appreciate receiving whatever periodic mailings are made to an open mailing list.

Our radio ministry now extends to more than 500 stations in this country, Canada, England, Scotland, Australia and other places as well as being heard each week on more than 300 military outlets of the Armed Forces Radio Network. I would appreciate whatever considerations are available for interested persons regarding the materials you have available.

Sincerely,

John Allen Chalk
Radio Speaker
