Mr. Howard G. Rather
Executive Secretary
National Funeral Director's Association
Milwaukee, Wisconsin

Dear Mr. Rather:

Thank you very much for your thoughtfulness in sending the article by Rose Zeligs, "Death Casts its Shadow on a Child." I found the article extremely enlightening and helpful. It certainly highlighted some of my own previous experiences with deaths that involved children.

I remember with pleasure our brief meeting and association during the Funeral Director's meeting in Memphis. It was my privilege to hear you speak and to gain an even better insight into the importance of the National Funeral Director's Association.

I commend you for the courageous leadership you are exercising in this important area of human life and conduct in America. Please let me know when I can be of any assistance to you and to your organization.

Sincerely yours,

John Allen Chalk

The books sent me from your office immediately after the Memphis meeting have been extremely helpful. Thank you so much for your thoughtfulness in giving me the benefit of these studies.
