Mr. Carl Thompson
Land Park Church of Christ
2020 16th Avenue
Sacramento, California

Dear Carl:

Thank you so much for taking the time out of your very busy schedule to attend our Herald of Truth workshop last Saturday. Thank you also for taking me to the airport and getting brother Pipkin back to his motel room. It was extremely thoughtful of you and your wife to do this.

I was especially pleased to have the opportunity to talk with you about the work at Land Park. It is obvious, especially after reading your booklet, "Vision, '67", that the church there has a bright future and that you are providing some very excellent leadership.

Any suggestions you have to make regarding our presentations last Saturday would be appreciated. I want to apologize for any impudence that might have been expressed by brother Pipkin toward the Land Park congregation and its failure to support our program in the past. We here in Abilene recognize the right of every congregation to make its own decision in view of its own special situation regarding Herald of Truth. We obviously want your good will and we also want your support but that is entirely a matter left up to your local leadership. Your attitude was an excellent one in reply to brother Pipkin and I deeply appreciated it. Any help you can offer in ways and means to better Herald of Truth's image in California would be considered a personal favor. Thank you so much for what you mean to all of us.

Fraternally yours,

John Allen Chalk
