Dear Brother Chalk,

I believe Brother Davis has written you concerning your speaking to the Men's group in a morning session. Going by past experience, the morning session will be composed of men who are for the most part preachers and elders. Since this morning session will be informal we will leave the selection of an appropriate topic up to you.

We are looking forward to being with you in about three weeks.

Sincerely,

  
Bob Barnhill

BB/lb
