Dear Bill:

How very nice of you to write me in congratulation of my Master's Degree. It was so thoughtful of you and I appreciated deeply your letter.

As you can well imagine, this was one of the greatest loads lifted from me that I have experienced in recent years. I am now attempting to get back to my real work here with Herald of Truth.

I look forward to seeing you in the very near future and in working with you in California this fall in the campaign.

Fraternally yours,

John Allen Chalk

OFFICE OF THE VICE PRESIDENT

June 30, 1967

Dear John Allen:

Congratulations on the completion of your Master's Degree. In consideration of the heavy schedule which you have been forced to keep in your Herald of Truth work, this is an even more remarkable accomplishment than would be true under normal circumstances.

Best wishes to you and your family as you continue the significant and important work to which you are committed.

Cordially yours,

Bill
