Dear Brother Brown:

Please accept my apologies for failing to reply to your very kind letter of October 18. My fall and winter schedule required that I be away from the office almost continually until the first of the year. This means that I am just now getting to your letter.

Because of the present demands of my Herald of Truth work, and other personal obligations, I haven't been able to accept any invitations for gospel meetings. I have more scheduled in the years ahead than I can actually do a good job for. I would enjoy being with you for a special week-end drive of some nature even in the next 12 to 18 months, if the brethren there so desired. It would be a pleasure to visit you and speak at all your services on a Sunday. However, this is left to your discretion. Thank you for inviting me for the gospel meeting, but I rather think you would get better preaching and better co-operation from someone who has more time than I do at the present. I send you my best regards for your continued successful ministry.

Fraternally yours,

John Allen Chalk  
Radio Speaker

Dear John,

The Elders have asked me to contact you about the possibility of your preaching in a meeting for us at Central.

At present they are in the process of scheduling meetings for several years ahead.

Would you let us know when your schedule would permit your preaching for us in a meeting here.

Personally you already know my feelings that few if any are available who could do us a better job.

We look forward to hearing from you.

Sincerely,

*W. E. Brown*
