Dear Sister Spicer:

We were all pleased to receive your recent letter and to learn of your activities and those of your family. We are deeply concerned about Aline, and have prayed for her successful surgery. I am sorry this letter did not reach you before the day of her operation, but I want you to know of our concern and our interest and our prayers on her behalf.

I remember with pleasure our many opportunities to be associated together in Dayton. It was such a pleasure to work with the Northridge church. Sue and I remember with much joy our many opportunities to serve and to be involved in the lives of so many of you.

Give my very best to Willis and to your entire family. We send you our love and deepest concern for Aline's health.

Fraternally yours,

John Allen Chalk

Dear John Allen & Sue.

I have thought of you many times
& have thought about writing to you
but just never did get around to doing
so. I hope you all are ok & happy
in your new location, & I hope you
are doing much good. we still miss
you up here. you were loved by so
many people.

Bro Chalk I want to ask a
favor of you. I want you to ask for
prayers in the church when you go
for Aline. She is suppose to
under go a serious open heart
operation a week from Monday, which
will be April 10th. we are all so
worrind & up set, & I have almost
over done my self. Aline was in the
Hospital for nearly 4 weeks lately &
I try to stay down there
with her as much as I could. The
let her come home for a while, she
re enters the Hospital April 3rd.

I know prayer - changed things
& I am a firm Believer in prayer

& I do so want you & see to pray for her.

Sister Joyce King is under going surgery next Thursday & she said for me to tell you to remember her also.

As far ~~to~~ the rest of the family here we are pretty good. Willie has had a lot of bad nose bleeds & doesn't feel too well.

So please remember us in prayer & write to us some time.

Love & prayers.

Sister Spicer

p.s. try to come see us the next time you are in Dayton
