Dear Jimmy:

Thank you so much for asking me to work with you in a gospel meeting in 1968. I still remember with pleasure our week together in Savannah. I would like nothing better than to be with you, and to be with the Wooddale congregation. I am hearing many wonderful and encouraging things about the work you and the congregation there are doing.

Unfortunately, I have no available time in 1968 for a meeting. In fact, my present schedule and the demands of my radio work preclude my scheduling a meeting for any time into the future. However, I might suggest that I will have some available Sundays during 1968. I could very possibly work with you in a special series of some nature. A week-end arrangement or three services on a special Sunday would be agreeable to my schedule, if the brethren there so chose to use such an arrangement. I can appreciate your rather having a full gospel meeting and regret that I cannot fill that request.

If the brethren do desire some special arrangement during 1968, I will look forward to hearing from you. We can arrange the dates at a later time. Please continue your great work. I deeply appreciate your thinking and sensitive way in which you are attempting to respond to your commitment to Christ .

Your brother,

John Allen Chalk

Dear John:

The elders have suggested that I write you with regards to a meeting for 1968 in April or May. Could you work in a Sunday through Friday meeting for us? If not, please let us know what you could do.

We are proud of you.

Brotherly,

Wim Rogers
