Dear Jerry,

I do understand the elder's decision regarding our proposed meeting. I regret not having the time to be with you for the longer effort but know that you will be able to find an effective evangelist for this effort.

I would have liked nothing better than to have spent some time with you personally and hope that we will have this opportunity in the future some time. Thank you so much for your reply. I do understand completely and regret that I could not find the time to be with you.

I look forward to seeing you in two weeks at Haiding.

Fraternally yours,

John Allen Chalk

Dear John Allen:

Thank you for your prompt reply to our request for a meeting. The elders have decided that they prefer a three day effort and, therefore, will see if we can get someone else to come. We do this reluctantly as we would very much like for you to be with us. We do hope at some future date it will be possible for you to come and preach here.

I will be looking forward to seeing you at the Harding Workshop next month.

Sincerely,

Jerry Porter
