Dear Mr. Wilde:

Thank you so much for your kind letter and schedule of my participation in last year's Pulpit Workshop. Your list leaves out one sermon outline contributed as Issue #3, June 19, 1966, which would make my total of outlines submitted and used six rather than the five you have listed.

Thank you for sending me the check for the five you had listed. I appreciate it very much. Any consideration you can make in rechecking the sermon outlines and providing further compensation for Issue #3 will be appreciated.

Jay Smith is doing an excellent job with Pulpit Workshop. I definitely believe that the service can be expanded through more promotion of it and am happy to continue to participate in it as Mr. Smith sees fit.

Sincerely yours,

John Allen Chalk

P.S. The title of the sermon outline that constituted Issue #3, June 19, 1966, was "Redemption--What Is It?"
