Dear Vivian and Jimmy:

C
O
Thank you so much for a very wonderful week in Los Angeles. The two of you made the greatest contribution of any one in the entire area to our spiritual welfare. Sue and I deepened our love for you through our association during the week, especially through knowing that you were praying for our services every day and night.

O
It was such an encouragement to have Jimmy come back stage every evening to give me his love and his support. I remember so well those expressions of kindness and concern. It meant a great deal to me.

P
Of course, Sue and I feel that the highlight of our week was Saturday morning in your home. It was such a thrill to pray with you, to read from God's word, and to have the spirited and lively discussion that we had. We both send you our prayers and deepest love and hopes that God will give you many, many years in His service.

Y
Fraternally yours,

John Allen Chalk

P.S. Jimmy's note to me, written after the Tuesday night service! was such a thrill. I will always treasure it.
