Dear Jac:

Five minutes ago I was talking to you and it was so good to hear your voice as you revealed the great plans before you.

Son, you never have to ask me about anything having to do with that which is helpful to mankind and the Lord. I shall be happy to use anything at anytime which you feel is needed and the new radio net-work will be of vital interest to all. Frankly, I do feel that ACTION goes into churches and homes where possibly none of our other papers go and the general coverage is good. One thing that pleases me is that the paper is read - not just seen.

I am enclosing a note having to do with your trip to Vietnam. If you wish anything else I shall be happy to send it.

I am also enclosing a check from Vivian and me to Highland for \$56 which is not easy in view of limited income plus the very difficult responsibilities having to do with ACTION. On the other hand this is your work and we want a part with you; it has to do with the unsaved in Ghana and those souls lie heavily upon our hearts; and then I want to go a second mile with Highland Church, feeling that those elders will in time bring ACTION to all of their members.

Again, our love to you and sweet Sue and lovely Helen and with a big wish for the Holiday Season and a Happy New Year,

Your friend and brother in the Lord

James L. Lovell

P. S. In another two hours I will be in the hospital but only for some tests.

Every person has more right to hear the Gospel once than any one person has to hear it twice
