Dear Brother Poucher:

The Elders of this congregation are interested in having you appear on our annual Fall Lectureship, October 7-11, 1963. We would like for you to speak on Thursday and Friday evenings, the concluding evenings of the series.

The theme for this Lectureship has not yet been set but it now appears that you would be asked to speak on Communism, Materialism, or some of the other external enemies of Christianity.

We would appreciate your consideration of this invitation.

Enclosed is a brochure which I did for the Organization mentioned thereon. We hope to bring this new Organization to national attention in the near future.

Fraternally yours,

John Allen Chalk
